

## WANTED:

Forward-thinking business leaders willing to work with well-trained, passionate, emerging professionals.

### Emerging Professionals Internship Program

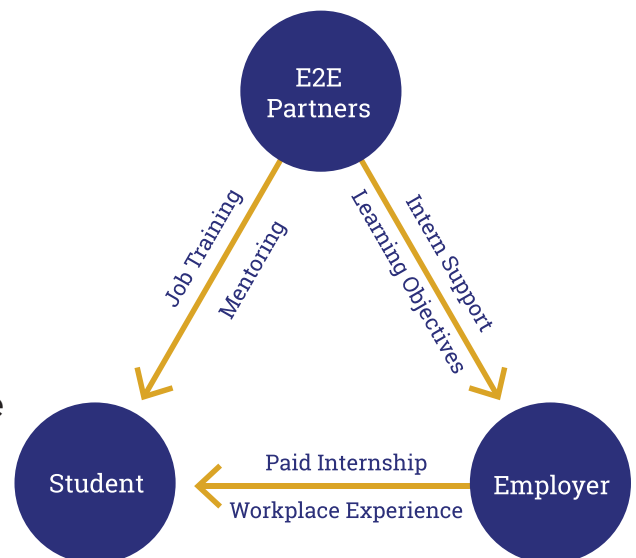

Providing talented high school students real workforce training and experience through paid part time internships with local businesses

**EDUCATION**  
**TO**  
**EMPLOYMENT**  
PARTNERS

With the **Emerging Professionals Internship Program (EPIP)**, local businesses invest in our future workforce by providing students paid internships and key experience for in-demand professional careers.

Through EPIP, you can support the Coastal Bend community by giving workforce talent much needed experience and guidance while at the same time providing your business low-cost, low-risk labor.

### Become a EPIP Business Partner Today

Visit [www.e2epartners.org/employers](http://www.e2epartners.org/employers) to learn more and discover our current employer partners.
